## Rugs in stock

Kvadrat rugs are hand made and made to-measure. Characterised by outstanding craftsmanship, meticulous attention-to-detail and tactile structures, they reinterpret classic techniques in a contemporary light.

Due to the hand made process and the intensive detailing involved in the making of our rugs, and because a lot of our hand crafted rugs are produced in India and Nepal, production times can vary from time to time. As a quick ship service, we have therefore selected ten of our bestselling rugs in a choice of colours and sizes to be available from stock.
